The Lady:

She resembled her pictures. Showed up in a miniskirt with fishnets and boots. Did not like the idea of taking off her boots.

The Story:

Initially, we hit it off. In fact, after she french-kissed me - I extended the booking to 2 hours, expecting the kisses to be just a prelude. She was a conversationist: "Do you have children?" etc. I was hospitable and served her red wine, rolled her a ciggie, waited patiently while she went to the driver to find her cigarettes.

Unfortunately, after an hour of this 'bonding', - it went wrong once we got into the bedroom. I did get to go down on her briefly (lovely shaved pussy) but then it was 'too much'. I got a covered bj - but it hurt for all 6 strokes! Then there was the farce of missionary - after which she got up, started getting dressed and talking about how I should make an overnight booking - ??750. she insisted on French kissing me while explaining this ... She left 30 minutes early after delivering the absolute minimum for ??250!

What a rip-off! This the second disappointment from StarGirls - had a Hungarian girl called Nicole come by a month ago - though I did not feel moved enough to post about her as I at least got to cum that time! Otherwise, underwhelming.

No more StarGirls for me! Next stop - back to Flora at Olina. Check my previous report :)
