### The Premises:

Slightly public entrance but a nice clean small apartment with nice shower.

### The Lady:

Very sexy small body with natural boobs. Big round eyes like an anime character on a pretty face too.

### The Story:

I had a pleasant time with Sheera - she is friendly and good company and talks about her other customers, which I suppose may freak some out but I think is quite funny.

Good OWO although she won't let you have any control and she is very tight and receptive during the deed. She turned me down for anal although said she does offer it and I believed her - she was rather tired though and therefore was urging to me to come after about 5 mins, which was slightly offputting. I'd probably put this down to a one-off but that's why I would mark this as a no return for me. However, she is very beautiful and fun and I strongly doubt you'd have a bad time with her.
