The Premises:

the two girls work from a modern private apartment
near the city centre
good parking and safe area with discreet entrance

the apartment was spotless and classily done out too

The Lady:

Jessica and Scarlet are both very attractive and have a real classy look
each one dressed to kill and could have easily fit in sitting in a 5 star hotel foyer or attending a posh
function rather than just greeting me at their apartment
both are slim and super fit with model looks and great proportions

The Story:

i have never sampled two girls before but having met one of the pair before knew it would be an
experience never to forget and it sure was

the girls started by putting on a show for me while i sat and watched and boy oh boy do they enjoy
their work

it was so good that i almost forgot to join in but i neednt have worried as after 30 mins they came to
get me
then things really became a blur as these two gorgeous ladies took me to a different world

not enough space here to go into details but all i can say is if you havent yet sampled the delights of
two attractive and keen ladies then try these two asap

a real GFE only with two real girlfriends!!!!
