The Story:

This is a lovely lady with great warm personality.Visited this place many times but never experienced this wonderful woman.I was taken into luxury room had a shower then Alliyah started with a very good massage.Getting down to it she started with lots of rubbing of my cock and balls and then went onto 69 she tasted lovely and she was shaven.Then I got on top with lots of playing with her wonderful breasts done doggy and she also went on top.Then Alliyah finished me off with wonderful oily handjob.A wonderful woman one of my best ever punts.
