The Premises:

Clean and safe apartment. Central location, very convenient location.

The Lady:

Gorgeous, and looked very sexy coming towards me in black seamed stockings and a ridiculously short skirt. She was parking her car and being ogled by another guy whose eyes were out on stalks. Met me and let me into apartment as she was running late. Had unfortunately mistakenly booked the apartment for an hour so overlapped with another girl, who was none too pleased - just like me!

The Story:

Tremendously sexy girl with wonderful thighs and a firm body. First class girl, though disorganised with the timing as I had paid the fee for 1.5hrs. The emails did state the time clearly. However, I wouldn't have missed her for the world though and she is worth seeing. One of the best girls I have seen.
