Cute and petite stunner

The Story:

I was taken by Marina's smile and sexy petite body and decided to try a Brazilian girl for a change. She arrived on time I was pleasantly surprised by her friendly upbeat attitude - most Brazilian girls I have dealt with have tended to be very professional and detached. However, Marina was friendly, warm and engaging. Marina pointed out that her photos are not photoshopped - for which I will vouch. She has a great body and cute face with beautiful green eyes. She kissed my ears and neck plus teased my cock from outside. We then engaged in some LFK followed by decent OWO - sex in various positions followed and as she was quite tight I finished much sooner than I normally do. Second round was more sex in various positions - Marina wasn't keen on OWO for the second round. I would definitely recommend Marina based on my experience.
