### The Story:

When Sweet opened the door my first thoughts was WOW. She was very attractive lady who for once looks like the photo's. Then I paid the money and things went down hill. I asked if she kisses she said a little bit. When I kissed her it was on the lips then the head turns to stop that. When she stripped off her clothes, her breasts were small saggy and when I touched them they were lumpy not nice at all. She constantly moaned she was tired as she was busy all day. Oral was covered and there wasn't much of that either. The room was really warm and I never sweated so much in my life, so sex was the same mechanical no emotion. 7.13 she wants to shower to get ready for the next person. I left and really I won't be back. I will use Amanda in future as she is really good.
