The Story:

I'd booked with Joanne but was half an hour early and she was just going in with a punter. I was extremely horny so asked to see Becky. She looked ok except I don't like boots so she gladly removed them to reveal nice long legs clad in black fishnets and lovely feet with red painted toe nails. Had a shower and Becky came in. She took her bra and nickers off and started the massage. She was playing with my arsehole and she could tell I was enjoying so she got out a nice slim vibrator, lubed me up, put a condom on it. I got up on all fours wanking myself as she fucked my arse talking dirty all the time. I was dying to fuck her now, so on with the rubber. I got her on the edge of the bed with her legs in the air and gave her a right pounding. She managed to reach my arsehole, teasing it with the dildo as I fucked her relentlessly, licking and sucking her lovely feet which she liked. I could hold on so got on all fours as she fucked my arse hard with the dildo I shot my load. Good session, dirty, just what I wanted.
