The Story:

I had a very relaxing, full-on and fulfilling hour with Taylor. The hour started with an assisted bath, which was carried out swiftly and to Taylor's direction. No time to hang around in the bathroom as it was straight into the bedroom where I lay back on her bed as she administered OWO and rimming. This turned into 69 which in turn led to doggie for 10mins of shagging. I eventually came in the 69 position, a service which Taylor delivered with skill.

The remainder of the hour was spent with her massaging my back, then a BJ. She looked magnificent with her head in my groin and her fantastic ass up in the air. This led on to CG before we both lay there in 55 position just holding and cuddling.

My hour there was a fantastic time with Taylor and one which will stay in my memory for some time to come. Definitely will be back for a repeat visit.
