The Premises:

Brand new flat in easily accessible part of town. No nosy neighbours. Parked up and May gave direction over phone on where to go.

The Lady:

Early 40's but could pass for ten years younger. Greeted at the door by a pretty lady with short blonde hair, and a jumbo pair of titties, dressed as requested in stockings and basque. This babe has a great body, and her small waist emphasises her cute bum and perfect boobs.

The Story:

Treat this babe as a lady and you will get the best out of her. May likes to talk, but its all part of the getting the punter to relax. Skipped the massage, straight to a cuddle and fondle of her perfect boobs. OWO offered and accepted and a happy time spent watching this sex oozing goddess sucking the old fella.

Switched around and boy does she have a sweet tasting fanny, she likes it slow and gentle, her clit hood is very sensitive and likes attention.

On with the rubber mac and various positions later, the satisfaction she guaranteed previously was received.

No rush to get me out, indeed spent time talking and just cooling down.

All in all a 1st class punt. If you want a cheap no holes barred shag, go some where else. If you want quality, sophistication and a lady, give May a call.
