The Premises:

nice place, safe, secure area, local free parking. Clean and tidy establishment.

The Lady:

Christine is an absolute stunner. A real beauty. Superbly thin with lovely perky breasts and pert little bum. She sports an amazing all-over tan. Cheerful and chirpy.

The Story:

I had an hour booked but got held up and could only have 30 mins in the end. My first mistake, and one that I shall rectify next time.

I was greeted at the door by a vision of beauty and was immediately made to feel at home and at my ease.

I'm not going to give chapter and verse - go there yourself!

I very nearly didn't go at all. I had hoped to see another girl (my second mistake), Christina was my second choice from the website as her description stated that she was 32D....(my third mistake). I'm not a big-boobs man so was pleasantly surprised that, as I have found before, ladies' attributes tend to be exaggerated in the mistaken belief that more is better. Christina is perfectly proportioned.
