The Story:

Was greeted with a nice sloppy kiss. Very friendly from the start. Began with a very nice massage which became body to body. Some nice ball tickling. Some very expert owo followed - lovely and churning. She does tantric massage apparently - sounds frightening - must try it next time!! then returned the compliment - she really enjoys a bit of tongue and came quite vigorously. More french kissing followed and then on with the rubber. A good bit of missionary, then the finale in doggy - full depth. We both thoroughly enjoyed ourselves. Summer is very experienced [she worked for both incarnations of Bluebelles, though I never saw her there] and it shows.

We nattered for a bit and then Star turned up - they're doing duos. Had a kiss and a natter with Star. Will perhaps try the duo, though I'm not a fan of it as my readers may know. I think these two could definitely make it work!
