The Premises:

Clean and tidy house in a fairly decent area. Easy on street parking and I have always felt safe when visiting.

The Lady:

Helen has a great body with fantastic responsive boobs and she does not look her age. I know she exercises regularly this has also made her go a little thinner in the face than when we first met. I have been seeing Helen for about four years.

The Story:

I was greeted at the door with the usual sensual kiss, then as I requested she gave my hardening cock some attention at the bottom of the stairs. Then it was up to the bedroom for half an hour of extreme pleasure for me and I hope, more than a little for her too. This included more fantastic oral ending in me cumming in her mouth which she swallowed. Helen always seems to enjoy our meetings and I can usually get in contact with her even if she is not free to meet at that time. I have read all of the reports on here about Helen and thought it was time I added a report of my experiences with her. She may pick and choose who she meets but if you are lucky enough to meet her you will not be disappointed.
