The Premises:

Nice safe flat in a block 2 mins from Maida Vale tube. Clean and pleasant room, reasonable bathroom.

The Lady:

A very attractive girl. She has lost a bit of weight since the photos were taken and has a delightful body and a very pretty smile. She has enhanced boobs (why do they do it?).

The Story:

The poor girl had just burnt herself with her hair straighteners but she was up for everything. All the services listed for her on web sites were available and offered with great skill and enthusiasm. A levels in several positions were spectacular. Plenty of eye contact and engagement. It really felt that she was enjoying herself, especially when she brought a vibrator into play during A levels. She was very pleasant company: cheeky, amusing, kind, and fun. A really fantastic punt. I hesitate to write such a great report since I'd like to keep her for myself, but I wouldn't have visited her but for other reports on pn.
