### The Premises:

Nice, well run parlour not too far from the old HoD place near Staples. Easy and quick access if you can find a car parking space.

### The Lady:

Lovely girl with a great attitude to her work. Jess has a nice body and a decent pair of legs.

### The Story:

Jess seemed happy with my requests, not that there was anything out of the ordinary. We started kissing whilst standing up. I like it when a punt starts like this. This progressed into some rubbing of each other's bits before Jess suggested we get on the bed. More light kissing before she headed south for some owo. Jess knows what she is doing in this department, helped by her tongue stud she gave me a lengthy bout of oral. We moved into a 69 and I gave her lady garden some attention.

Jess was happy to slow things down, as all her oral attention was getting a little too much for me. Once I had maintained my composure, she covered me up and jumped on top and bounced around for a good few minutes. We then tried a spot of doggie before I went on top and effectively ended the punt by dropping a load over Jess' stomach.

We had a bit of chit chat whilst cleaning up and I was then on my way.
