The Premises:

I had booked a business trip and Sam came to visit me at this hotel

The Lady:

Very very sexy, discreet, leggy, and brunette, and great personality, and right on the ball.

The Story:

She came in the room, i offered her a drink, and my god, straight down between my legs she started sucking and licking those places. well we moved onto the bed, shame to waste it was being paid for, and she carried on touching and deep throating me, i started kissing and licking her pussy oh so sweet, well she is great at everything, and i mean everything, as i said a total allrounder. I understand she does this as a side line but my god is she experienced with those toys, those long long legs, she must be at least 5ft 10 with stockings on, and she will dress to please. she only does visits, she told me she travels from junction 24 bridgewater upto swindon, MONDAY, Thursdays, Fridays, Saturdays, and Sundays, ETC 07832956823
