The Premises:

Not a bad place at all. Nice big room, clean and good receptionist. Probably best presented out of the city centre parlours.

The Lady:

Short spanish lady, lovely simmering and naughty smile and great big eyes and massive boobs, really massive boobs.

The Story:

She was a very beautiful girl but the service was a little rubbish. She didn't like her body being kissed, even her boobs, also she didn't want to give me breast relief. She seemed a little put out in general and was just wanting to give a quick service which I suppose at ?35 for 20 minutes is what I actually paid for. I've no great desire to see her again at all but I think if you caught her at a better time and paid for a full half an hour or hour long session then maybe she'd be okay.
