The Premises:

I used to frequent Samanthas quite a lot a few years back but hadn't been for a very long time. It was the same as before, very discreet, clean and a decentish standard of girl.

The Lady:

Tara is an early 30s brunette with a great body, pictures on the website do not quite do her justice. Though they are good.

The Story:

She gave me a good snog followed by the usual covered blowjob which was pretty mind blowing. Tara really enjoys her job. I then fucked her doggy style and missionary before cumming on her tits. Then we had a pretty good chat followed by some more sex, which was great, bed rattling all over the place, good hard and proper solid sex session that you wouldn't normally get from a punt, which was made all the more convincing due to the kissing. I ended up desperate to cum but found it hard to do so due to having just cum earlier but still fucked her harder and harder until I did. Which worked for both of us.

Would definitely recommend.
