The Premises:

Easy to find following instructions from Andrea, its only 2 mins from M1. Parking outside off road. Did'nt find any of the negative comments from previous reports regarding the internal state of the house, but then again I was'nt doing a housekeeping inspection.

The Lady:

Medium height, slim but not thin, nice small titties and a neatly trimmed bush.

The Story:

Easy girl to talk to and the PVC thigh boots were a real turn on. Straight to OWO which is about the best I've ever had. Lots of good eye contact and the glasses she wears give the sexy secretary/teacher effect. Sex in various positions and a nice long sucking session to finish me off. She does'nt swallow but really does suck every last drop out of it. Balls felt hollow afterwards!

Good punt, clean, attractive lady who is an excellent companion.
