The Premises:

Area ok in Bracknell. Safe enough. House was fine but a funny smell inside

The Lady:

short, looks older than 43 as stated. Glasses, blonde hair. big boobs

The Story:

Walked in and should have followed my instinct on seeing her, but foolishly continued. Settled up the cash.

Stripped, lay on bed, she gave average massage for 10 mins while making small talk about holidays etc.

very functional, no emotion.

Asked if wanted oral, said yes, on with condom - no OWO it seemed. Not a bad bj but hate OW.

Then asked her to sit on me, she said she has to go under as has bad spine and it can lock up! Oh dear, did the business while she lay there like a sack of spuds - and then i bolted as soon as!

Waste of money, probably the worst punt i've had
