The Story:

To be honest not quite what I had anticipated. For the first time I went in by just looking at the pictures online and booked an appointment with her. The pictures are totally different from what she actually does look like (No Offense). The overall service too didn't suit me, wasn't upto the regular intimate standard. Was hardly there for 15 mins after paying for 30 mins, so that does tell either she had a hard day at work or was just not bothered. She was more into her talking than anything else really. Anyway, will probably not do the same mistake again to just rely on website pics.
