The Premises:

Street was ok but the flat was very dirty.

Just floorboards and a dirty bed and I had a feeling that there was someone else in the lounge.

Quite unsettling.

The Lady:

Very tall black lady probably late 20s figure ok reasonably attractive, profile name is Shisha, but she calls herself Teisha.

Who knows ?

The Story:

Started off ok, ignoring the untidyness, then as soon as the action started properly she said "I don't do O without"

But your profile, on another website, says OWO and CIM included, I said and that's what I said on the phone.

"Well the profile's wrong" she said.

At this stage I had given her the money, which she had hidden in another room, so she wouldn't give me any money back, as I'd already "fingered" her.

I opted for a quick covered shag and go, which was not very good.

Very poor show. Stay away or give your money to a charity.
