The Premises:

Her place was as expected, a popular apartment block where I have seen working girls in the past.

The Lady:

Pretty eyes and a body to die for. She was wearing a latex catsuit (photos under the name Kim Bentley of Anna's Angels) and even though the breasts look like they are the work of a surgeon they were 100% natural.

The Story:

This girl is one of the best I have seen. She clearly enjoys her work and was very willing. Performed with enthusiasm and was lovely to talk to.
