### The Story:

Shay is a gem. She is like a kitten and purrs with contentment when you lay with her. I had the GFE, plenty of oral with mutual pleasuring both ways. I think she had several orgasms and I could feel it was genuine as her venus garden was pulsing with waves of ecstasy. This young lady was game for anything and after the happy ending we cuddled in the post-coital bliss. So much nicer than when the girl jumps up and rushes off. All in all a great time and a satisfying experience - I mean how often do you get to hold a sex kitten in your arms? Definitely recommended.
