Nice London apartment. Safe and clean etc.

The Lady:

Not perhaps as 'mature' as photos suggest. Nice fit, slightly dusky, busty girl. Pretty.

The Story:

I had seen Emily about 3 years? previously, but as she was looking perhaps a little more ?voluptuous? than previously, I thought I would re-visit as that?s my type of lady. She was good the first time !

?

She was shorter than I remember, but she is fit and greeted me in a tight top, exposing a plentiful bust trying to escape, short skirt and suspenders/shoes, all as requested. She is pretty and has a cheeky smile.

?

This was a surprising punt for one main reason ? I didn?t ask for rimming and I didn?t think she did it (nor did I even ask for it !!!) but she did, and boy did she do it well !!!!!

?

I was on the bed after a perfunctory wash and it was seconds before she had my legs open and was working her way down my shaft to my balls and then gently inserting her tongue into my ringer. Not expected ? certainly welcome !!!!

?

Upon telling her that was my favourite she continued to devour my rim, lapping away while looking up and boy did she do an expert job. Next she lapped willingly at my balls, working her spit over them expertly. All this time I was gently holding her head and playing with her lovely hair.

?

She kept the pace up, rolling me onto all fours and eagerly flicking her tongue in and out of my arse from behind, wanking me at the same time. More hard rimming ensued and she looking simply gorgeous nestled between my legs and working away with both tongue and spit to bring me close to the point of no return. Then onto my cock, working the shaft well as she licked the sides, slapping the thick shaft onto her face and chin while looking up at me.

?

Then she took it properly, working the cock well as she took the full length into her eager mouth. More rimming and tea-bagging ensued until upon request, she freed those lush tits I had been groping for 20 minutes and held them up for me.

?

This was all I needed and I let rip with a week's worth of thick spunk right across them as she smiled and licked her lips at me.

?

It was all I could ask for and all I wanted, having to dash to an appointment afterwards. No kissing and I don't know if CIF or COF was available but for me, a very good punt.

?

Top girl and I have no doubts that if you wanted to pound her tight snatch for ages she would be the perfect choice ? very friendly and very personable. The rimming ? Simply fantastic !!!!

?

Will see again.
