Lovely hotel near Waterloo Station. Very clean and easy to find. Quite busy - therefore easy to get past reception and into lift

Elouise is very prettu , blonde hair and blue eyes. Quite busty and lovely soft skin

The Story:

Look at her web-site. SHe offers sensuous massage with a (very) happy ending :). The massage itself was worth the price. She spent a long time on my back and legs, arms and hands. The casual brushing of arse and balls was enough to keep me from falling asleep and make me look forward to turning over.

WHen you turn over, it is easier to feel her bottom (which is ok) and of course to see those wonderful breasts.

SHe finishes off with a two handed cock massage which has an obvious sticky ending. By the end you are allowd to feel her breasts and these are magically released and available for a soft fondle. This was more than enough to send me over the top.

I really enjoyed my time with Eloius and respect her limits, though I must admit - I would have loved to have been more active. Having said that I would definitely return and recommend her.
