The Premises:

9th floor of a very nice appt block in East London. The appt was immaculate, clean shower (warmly taken) with nice clean towel. The place was smelling great, candles and mystic music

The Lady:

Savanya is beautiful, polite and courteous

The Story:

This was an amazing experience, wonderful seductive massage both back and front with emphasis on the Chakra points, I almost fell asleep. Turned over and had a better view of Savanya who was naked and has an amazing body. This all built up to a lot of attention to my "lingum" with both hands and oil and I exploded with an orgasm of the like I have never had before it was amazing. Savanya then cleaned up and gave me some head massage at which point I went to sleep..... awesome!!!
