The Story:

Wanted a role play session Boss/PA scenario with plenty of scope to punish Renea. She was excellent and played along with the role play really well.

Took a very hard spanking throughout the meet, around 100 hard slaps on her full buttocks. Renea is not fat but not a bony, skinny girl either which I do not like. After this she took 10 hard strokes of the cane, gasping after each and ended up with a very nicely striped bottom with good red welts. She gave me a great covered BJ and played with her clit under instruction and we ended up having energetic sex in doggy as I slapped her arse some more.

Renea is a great girl and highly recommended. She talks with you afterwards and is very friendly and thanked me for an excellent session where she could relax and enjoy the caning because it was delivered so accurately. She really does enjoy the CP and it makes her very wet and horny - a great sub girl.
