The Story:

Went for the hour come twice service, I would have been happy with just the once, not as fit as I used to be but she said she could make it twice so basicly she did me up like a kipper, the full works, uniform, toy show (I refrained from it coming near me tradesmans entrance) she could suck a golf ball up a hose pipe, no shy little miss this one, she was on it and did not want to get off, I was fucked, she informed me that next time for an extra 20 we could do anal....not for a couple of weeks till I recover, perhaps 3.
bad bad girl and I loved it!
