The Premises:

Ground floor apartment in the centre of Milton Keynes. Well-kept and very clean throughout, with adequate facilities for freshening up.

Parking is free (in the green zone) if you can find it, otherwise it is very reasonably priced in the purple zone at just 30p per hour.

The Lady:

Absolutely stunning platinum blonde. Voluptuous figure, but by no means obese or anywhere near it. Has lovely huge natural boobs and a wonderful personality. Is very friendly and speaks with a sexy posh accent.

The Story:

In one word FANTASTIC!

I know that praising Ava could be detrimental for me because my favourable report will play its part in making Ava busier and therefore harder to book. Maybe I should have kept quiet and kept Ava all to myself, but I cannot be selfish and I have to give credit where it is due. This girl is FANTASTIC and I want everyone to know this!

Praising this cutest of girls using just one word is not fair, so I will have to expand upon this.

Ava's profile says that she is 27. Even if it had said 22, I would have believed it because Ava looks younger than her stated age. Ava has soft smooth baby type of skin, milk white teeth and the softest kissable lips anywhere on Earth! Ava resembled a chubbier, meatier version of Emma Bunton (Baby Spice of the Spice Girls), except that I found Ava to be even more attractive.

The moment Ava stepped into the room, my heart rate tripled. She greeted me with a lovely soft and sensual kiss, which was to set the tone for what is the greatest half hour of my life.

My time with Ava got better and better with each passing minute. It was the best GFE ever with

DFK almost throughout, as well as fantastic oral both ways. Add to this, Ava's filthy talk in a seductive tone, and what you get is the perfect punt with a superb young lady.

I hate one-sided punts in which the girl is like a dead horse. Ava is the opposite because she was enjoying as much as me, which I could tell by how passionate she was.

Oh, and I almost forgot to say???move over Trevi fountain? because the ?Ava fountain? is much more beautiful and thrilling to the eye! Yes, through our combined efforts, Ava squirted once and then again five minutes later. What a wonderful sight and what a way to take a shower!

The only negative to come out of my time with Ava is the fact that she has now set the standard for an excellent punt to be so high that I doubt if I will enjoy punting with anyone else ever again! I just can't stop thinking about this gorgeous girl. Believe me, I could kiss and make love to Ava 24 hours a day, 7 days a week and not get bored.

Ava, I hope you remember me. I am the birthday boy and you are the best birthday present I have ever received. Will I see Ava again? You bet!

Ava is a rewarding investment. Folks, treat her well and she will reward you twice as well.
