The Premises:

A basement flat on a quiet road. The area was safe and the flat small, but immaculate.

The Lady:

Summer is a very attractive Thai Lady not much more than 5' and slim with a lovely backside and beautiful breasts. A true feast for the eyes.

The Story:

I was welcomed at the door by Summer in a sexy, revealing "dress", and shown to the bedroom. We exchanged kisses and then dealt with the finances. She helped me undress, before a mutual bath in the spa bath during which I was treated to magnificent deepthroat to completion in her mouth (no swallow). We dried off and I was given a massage before being brought back to life with more OWO, then an extended round of reverse cowgirl, followed by more OWO, RO and then missionary. A final, unsuccessful attempt to make me come again by hand resulted in Summer admitting defeat. A nice mutual shower before she helped me get dressed. We went slightly over the hour, not a clock watcher, but a nice girl. English adequate for the circumstances. Website says A is available, but I did not seek it so cannot comment on whether the site is right.
