Fine. Since it's refurb a couple of years ago Brooklyn's is one of the top parlours.

Short, dark with a good figure and great tits. As per web site.

The Story:

I wish I'd read her other report before visiting, it's very accurate. I thought maybe I'd caught her at a bad time, but her other report confirms what she is. This girl is rude and unaccommodating, just about everything is too much trouble. I felt like I was a total inconvenience to her, maybe I should have just given her the money and left without a service ?

Brooklyns has some great Girls, but they need to get a better line up for a Sunday and get rid of this sour grape.
