The Premises:

Met at a modern flat Fay is using at Brierly Hill in a safe residential area. Clean and tidy, private car park and a very discrete entrance to the flat. Nice boudoir bedroom

The Lady:

Fay is late thirties, nice well toned supple body and brown hair tied back. Pert boobs with large nipples and firm little bum.

The Story:

When making arrangements I realised I had seen Fay before a few years ago when she was in Walsall and had a number of positive PN reports and was looking forward to seeing her again.

As requested Fay was wearing a naughty secretary pin stripe dress and black hold ups.

Fay knew the main reason I was there was to use her bum so once her dress and pants were off and she had given me a bit of O to get me hard she lubed up and bent over standing next to the bed and guided me into her bum which has just the right amount of tightness to enable a good vigorous pounding leading to a satisfactory conclusion.

While I was recuperating we chatted about what we had been doing since we last met and then she cleaned my member with a mouthfull of water and soon got me hard with OWO. Then, being very supple and athletic, she crouched down on me to give some very hard cowgirl resulting in me shooting another load.

As there was still plenty time left she got me hard again and was encouraging me to have another go at her bum but I just could not manage it so I cleaned up and left after meeting her young friend Tammy.

I hope we can fit in another meeting the next time work takes me up to the West Midlands.
