The Premises:

Parlour was okay, parking was safe and easy, shower worked and room was clean with large double bed and plenty of mirrors

The Lady:

Kandy is a very attractive, slim, well-toned black girl with enhanced breasts. Not usually a fan of plastic but they look quite good and nipples are very responsive

The Story:

Kandy provided an excellent service I like it when a girl intuitively knows what you want and what you like. Her oral skills were amazing. It was one of the best blow jobs I've ever had and included prolonged deep-throat.

She has a great body so it was good to see her bouncing up and down whilst squatting on my cock. Kandy has a great looking arse so duly finished in doggy.

OWO was ?10 extra and well worth it. Wouldn't mind a longer session with CIM but not sure if its on offer but will definitely be going back to find out.
