The Story:

Not quite sure of spelling of girl's name. Sounded like Aiwen though. She gave me a massage for a while then I returned the favour. I just had to kiss and caress those gorgeous legs. Sucked her toes and then went down on her. Very sweet pussy - unshaven. After 10 minutes or so went for condom. Doggy with me standing at side of bed. She was quite vocal. Then she went on top for a while. I asked her to finish with a hand job which she did as I wanted to look at her lovely face. I believe there is a different girl each week.
