The Story:

Well I'm no stranger to the punting scene however never before have I been driven to write a report of a lady. Cherry opened the door, greeted me with a kiss and showed me into the room, usual pleasantries and money exchanged. I undressed while she did whatever is it they do next door for a few minutes. When she came back in it was game on! Full on kissing, awesome OWO with plenty of eye contact and enthusiasm. Soon it was time to don the cover and she rode me to a happy completion.

I'd asked for a second go and she lost no time in bringing the old chap back to life. More superb OWO followed by mish, doggy and cowgirl, then as time was running short off with the J and an extended handjob to finish me off again. This took some time and many a girl would have given up, but not Cherry (thank God as it was a glorious finish!)

I had a fantastic time, possibly my best ever with a WG. Would I recommend - yes, 100% - thanks Cherry!
