The Story:

we got their she greeted me with a kiss we then got the finances out of the way, then we had a breif chat until she said we are doing too much talking lets get down to some action, now this is the kind of thing i like from a girl, that wants the fun as much as i do,

she gave me oral and i returned the favour in a 69 position, then we kissed some more and then she got on top, we did this for a while and then we did it doggy style and got near a mirror so i could see me fucking her, then i cum all over her lovely breasts, she is a fantastic girl well worth a visit and is very good at her job.

oh and i really liked her comment fuck me you are very wide i know i am too big for some girls but kitty seemed to enjoy it, which is good as i like the girls to have as much fun as i do
