The Lady:

Marie is just lovely and has long black hair, big brown eyes, and a really genuine and warm smile. She has a beautifully proportioned figure and looked very sexy in a stunning outfit. Personality-wise she seemed well educated, was nicely spoken, and was the kind of girl you'd like to get going with in the office.

The Story:

I didn't know who to go for, and was lucky enough to end up with Marie, who was just superb, not only in the way she looked, but, once she had her kit off, certainly knew what to with that great looking body of hers, to get me really going. All my plans for something elaborate went out the window, as right from the start, we were dancing to the same rhythm, and though I had vague thoughts of making it last longer, and holding back, I had no chance, and she really took me. Fantastic.
