The Premises:

A side street in Luton is what one would expect a little run down but safe enough. On entry the place was fine, if unprepossessing.

The Lady:

Poala is a very attractive leggy Spaniard. Dark hair lovely eyes and really great body and she was dressed to impress. I was impressed and delighted.

The Story:

She led me to the bedroom and we started to kiss and cuddle and went on a voyage of discovery. Wonderful firm and natural breasts with nicely erect nipples I played with these for sometime. Then moving through some great oral both ways which had me very excited and so on through a range of positions with a final flourish with a doggy.

I loved my time with this lovely Spanish girl.
