The Story:

after paying money chloe quickly returned and started to massage me which was great then she turned me over i was already hard so she slipped condom on for me and gave me an excellent bj i couldnt handle too much so she got on top and started to move her hips i was in heaven i carressed her beautiful breast and unfotunately shot my load almost straight away nevertheless definately the best working girl iv ever met cant get the experience out of my head cant wait to see her again
