The Story:

Lori looked very sexy when I got there. She was friendly but not very talkative. She seems a confident young lady. We started the hour with lots of foreplay. I played with her clit and slid my fingers inside her pussy. She did moan whilst I was doing this, however I'm not sure how much of this was fake? I let her give me some oral, which she did well. I do love lots of eye contact whilst being sucked and Lori has really sexy eyes so this was a big turn on. I let Lori ride me so that I could continue staring into those dreamy eyes. She told me she liked it from behind, so I took her from behind whilst standing which was very sexy. I finished mish style. I enjoyed my hour, but I not sure how much Lori enjoyed it. She is a nice girl but not for me.
