The Premises:

Nice easy to find place. Arrangements were made very easily with recommendations on my requirements.

The Lady:

Really good looking girl. When she walked in the room, I thought I hope this punt is as good as she looks.

The Story:

This was my first Brazilian so I wasn't too sure what to expect.

Holly is a good looking girl that puts effort into the punt. She seems to like reverse O and plenty of time was spent on this vocation. She kisses nicely and seemed happy to entertain my requests, albeit they were fairly vanilla.

I didn't find Holly that full on, which is the impression I got from previous FR, but you can't fault the fact she cuts a fine figure of a woman and it's a great way to spend half an hour in her company.

The only slight downside is that she seemed to get a little preoccupied with time towards the end of the punt, even though we still had some time left - well according to my watch anyway. However, this is only a minor comment and didn't really detract from the experience.

I'm now quite interested to try the charms of the other Brazilians on offer, as there seems to be quite a bevy in MK at the moment.
