The Story:

Alicia came into the room pretty quickly(nice to not have the usual 10min+ wait), we didn't bother with the massage & got straight down to business starting with a bit of a cuddle to begin with, then I went down on her for a while which she seemed to enjoy(either that or she's a very good actress lol) then onto 69 then on with the condom and had her riding on top of me followed by doggy and to finish off I took the condom off & shot my load all over her belly & tits. Mmmm niiice! Lovely girl, highly recommended
