The Premises:

Clean, safe, usual standards for any of the MK establishments, easy parking close to the shopping centre. It's a bit odd the door being answered by a bloke though, and he doesn't like the doorbell to be rung, preferring instead that you call from your mobile when at the door.

The Lady:

Helen IMO is a very sexy lady, very natural and pretty, lovely figure, I like busty normally, but was very pleased with her look overall.

The Story:

As it was a couple of months ago, I cannot be sure of the exact date but the time was accurate as I knew that I had missed the ?50 special time slot. Not to worry though, Helen was worth every penny and more!

I had wanted to visit Helen for a while as I am very big into oral sex and had read some great reports in this regard. Helen asked me what I was interested in and I explained about reading previous reports on oral and she was only too happy to oblige. Helen has a really positive manner about her and nothing was too much trouble and she does her job extremely well, with a lot of enthusiasm and warmth. What followed was an amazing bout of cock sucking and ball licking tickling and scratching which had me in heaven. We did have protected sex for 5 or 10 minutes then I asked if I could finish in Helen's mouth which she was happy to oblige. Some further fantastic oral skills had me coming in Helen's mouth just before a knock on the door to signal that time was up. Helen was chatty and as I dressed I remarked on how good she was at her job. Helen commented that competition was high in the MK area with so much quality in the area and so she always wanted to make sure that she was up there (not her exact words so I am paraphrasing. I have had a few wonderful punts in MK and a couple of very average ones, but I expect that anyone visiting Helen will not be disappointed.
