### The Premises:

Excellent place. It was also very easy to arrange visit. 1 phonecall, done.

### The Lady:

I wont repeat what has been said many times over, Chloe is very pleasing to the eye.

### The Story:

As I have a major weakness for redheads, I had been wanting to see Chloe for quite some time, but had never managed to get a day off while she was in London.... until now.

Started with a really nice session of passionate kissing. Chloe is a great kisser and will snog your face off if you let her (which I really enjoyed). My tastes are fairly vanilla, so our visit was mostly kissing, blowjobs and sex, all of which were great and delivered with great enthusiasm.

Also, as a bonus, Chloe is \*FUN\* to be with, and we had some laughs, which is something than can sometimes be forgotten.

I rarely go for shorter visits, but given HoD's reputation, knew I had nothing to worry about and walked out feeling great and I had a very good visit.
