The Story:

Saw the photos of 'Catherine's' stunning slender body on this website and decided to splash out. £300 is a fair bit but it looked worth it. On arrival wasn't convinced the girl who met me was the same as in the photos. She was a perfectly nice girl but definitely not 22, definitely not as slender and sexy and certainly not in the £300 league. Of course no head shots on the site to verify. Decided I couldn't spend £300 on a £180 girl. Gave her a small discretion and left. Probably didn't need to as I feel it's certainly a con. At best very old photos, at worst fake photos. Does call into question other girls on the site too.

Have made memo to self - if you can't see the head don't go there! You're opening yourself to possible abuse.
