The Premises:

This flat is near Whiteladies Road and I think they all use the place, I have certainly seen Poppy here before

The Lady:

She was dressed as I asked for, was very clean smelt and tasted wonderful

The Story:

This lady has the WOW factor as did Poppy previously. They all appear to be students and do this in their spare time so I guess it is good to book by text in advance, as I said this was a great session and her pussy tasted divine and I think she even cam three times. Great Punt
