The Premises:

Nice spacious modern apartment. Quiet area so did not feel awkward arriving - in apartment block so access doors and lifts to share with residents. Friendly and helpful maid

The Lady:

Very attractive, very friendly girl. English with curves in all the right places and seemed genuine from start to finish

The Story:

Not a regular punter but this was my favourite experience by far and so had to give feedback. Emma role played with perfection and made me feel like she got really into it which added to the whole experience. In fact I got totally into it as well and forgot I was with a professional it was that good.

I did not do anything from her list of other services around bondage and spanking but it looks like she can ammodate it all with great enthusiasm.

She struggled through it all with a cold but still gave a 5 star performance - will definitely go back as she should be outstanding when at 100% fit
