### The Premises:

Immaculately clean and tastefully furnished house midway between Central and South Croydon. Reasonably cheap meter parking in surrounding streets. Close to bus routes and several of the Croydon overground stations. Near to the Swan & Sugar Loaf pub. Run by Sue-Lee, who I have been trying to see for some time and who I believe is something of a punting legend in the Croydon area! I had a nice cup of Rosie-Lee and a chat with Sue-Lee while I waited for the previous punter to finish.

### The Lady:

The wait was not in vain! Young and slim Thai girl with long dark hair and small though rather firm enhanced breasts. Good looks, beautiful svelt young body and best of all a gorgeous attitude to her work.

### The Story:

She immediately sank down and started giving me exquisite OWO and from then on it just got better and better. It was obvious that much of my conversation with Sue Lee had been relayed to DeeDee in so much that she was intent on satisfying my personal preferences.

I have not, historically, been into Thai girls but DeeDee has definitely changed my mind!

Strong Recommendation.
