The Premises:

Modern terraced house in a quiet cul-de-sac. Plenty of easy and free parking. Could be difficult to get to by public transport. House was clean but a little untidy and cluttered. We used what I think was Victoria's own bedroom on top of a nice clean plain white duvet on the nice big double bed.

The Lady:

Ample and very buxom young lady in her mid twenties, now verging very much on a BBW. Shortish red hair. Very clean. Slightly submissive nature but says she will bite back if a punter oversteps the mark! An extremely accomodating and friendly nature, she pulls out all the stops to please. A true Nymphomaniac!

The Story:

This was my second session with Lady V and was just as exciting and satisfying as my first a year ago. The session went along similar lines, with Victoria's main pleasure being to french kiss my back passage, which I had prepared for her with a thorough shower with especial attention to that area!

We engaged in a frantic hour of full-on no holes barred sex, but with the actual intercourse covered of course.

I will try and get back again before the end of the year and possibly for a threesome!

Highly Recommended
